

MegunoLinkProtocol

```
classDiagram
    class MegunoLinkProtocol
    class Plot
    class TimePlot
    class XYPlot
    Plot <|-- TimePlot
    Plot <|-- XYPlot
    Plot ..> MegunoLinkProtocol
```

The diagram illustrates a class hierarchy and dependency. At the top is the 'MegunoLinkProtocol' class. Below it is the 'Plot' class, which has a dashed dependency arrow pointing to 'MegunoLinkProtocol'. At the bottom are two subclasses, 'TimePlot' and 'XYPlot', both of which have solid inheritance arrows pointing to the 'Plot' class.
